[H] - about leads in H's report?

21 June 1966

Aleks K.

Dear []

Please, find attached my writing about Possible Leads to Information re HEINE's Military Service.

Unfortunately, there is not much what I could cover during my weekend in New York. I must have somewhere the "Easti Post" of Sweden, but I couldn't find it in hurry.

Also, I intended to see some people, but I did not find them during this weekend because they were out to the celebration of the St. John's day, (24 June, but celebrated on the three weekends, 18/19, 25/26, and some even on 2/3 July, to avoid "concurrency" ^(competition) between different celebrating groups).

Excuse the many typing errors. Due to my regular work I am very much in hurry and can't even correct the errors.

Respectfully yours

Aleks KURGVEL
